Permanent Academic

Minimum salary scale (Total Cost to Company)

R 824 714 per annum
(2023 Salary Scales to be determined)

Note: CUT applies an internal parity model to determine remuneration that complies with the principle of "equal pay for work of equal value". Accordingly, the preferred candidate may expect an offer that is in line with their qualifications and years of similar experience. Please contact the Recruitment office for more information on the applicable salary scale.

What are we
looking for?

Minimum Qualification/ Knowledge and/or Experience

- A relevant Doctorate level degree (i.e. D Tech / PhD / NQF 10 or equivalent) in IT, Computer Science or Information Systems)
- At least four years' teaching / lecturing experience in the relevant subject field
- Evidence of research output, post-graduate supervision and presentations at national and international conference in line with CUT's promotion requirements which requires:
 - 1.5 credit outputs (books, chapters in books, articles in accredited journals, papers published in peer-reviewed conference proceedings, patents, etc.)
 - Two completed master's degrees as co-supervisor; or one completed master's degree as supervisor. (Not applicable if the applicant already has a minimum of 2.0 publication, research or innovation credit outputs at Lecturer level)
 - Four cumulative presentations/papers at conferences, of which at one should be an international presentation/paper (international conferences held in South Africa are also regarded as international conferences)
 - Involvement in at least one community project (related to the teaching and learning and the research and innovation curriculum)
