Work Integrated Learning Coordinator: Clinical Technology (P10)

FACULTY OF HEALTH AND ENVIRONMENTAL SCIENCES | Department of Clinical Science | Ref 635  Bloemfontein Campus

About the
position

Main purpose of the job

To provide coordination and administrative support for activities directed at promoting work integrated learning activities in Clinical Technology

Main tasks

1. Assist with the implementation, monitoring and assessment of Clinical Technology work-integrated learning programs in line with the institutional vision and Faculty/Unit's plans
2. Liaise with potential employers and other stakeholders to assess and integrate placements for work-integrated learning
3. Coordinate and evaluate the placement of Clinical Technology students for work integrated learning
4. Develop and submit reports to relevant management structures
5. Provide administrative support for the WIL programme

About the
appointment

Nature of appointment

Fixed Term Support Services (contract until Dec 2023).

Minimum salary scale (Total Cost to Company)

R401 948 per annum

Note: CUT applies an internal parity model to determine remuneration that complies with the principle of "equal pay for work of equal value". Accordingly, the preferred candidate may expect an offer that is in line with their qualifications and years of similar experience. Please contact the Recruitment office for more information on the applicable salary scale.

What are we
looking for?

Minimum Qualification/ Knowledge and/or Experience

- A relevant 4-year degree in Clinical Technology (or equivalent)
- 2 years relevant working experience in the unit/hospital setting
- A valid Code EB driver's licence

Note: Preference in shortlisting may be given to local candidates
