About the appointment

Nature of appointment	Permanent Academic
Minimum salary scale (Total Cost to Company)	R693 427 (Lecturer) R874 197 (Senior Lecturer)

Note: CUT applies an internal parity model to determine remuneration that complies with the principle of "equal pay for work of equal value". Accordingly, the preferred candidate may expect an offer that is in line with their qualifications and years of similar experience. Please contact the Recruitment office for more information on the applicable salary scale.

What are we looking for?

Minimum Qualification/ Knowledge and/or Experience

To be appointed as Lecturer:
- M.Tech/Master's degree in Diagnostic Radiography
- At least two years' teaching/lecturing/industry experience relevant to the subject field(s)
- HPCSA registration

To be appointed as Senior Lecturer:
- A relevant Doctorate level degree in Diagnostic Radiography
- At least four years lecturing experience in the relevant subject fields.
- Evidence of research output, post-graduate supervision and presentations at national and international conferences in line with CUT's promotion requirements which requires:
  - 1.5 credit outputs (books, chapters in books, articles in accredited journals, papers published in peer-reviewed conference proceedings, patents, etc.)
  - Two completed master's degrees as co-supervisor; or one completed master's degree as supervisor. (Not applicable if the applicant already has a minimum of 2.0 publication, research or innovation credit outputs at Lecturer level)
  - Four cumulative presentations/papers at conferences, of which at least one should be an international presentation/paper (international conferences held in South Africa are also regarded as international conferences)
  - Involvement in at least one community project (related to teaching and learning and the research and innovation curriculum)
- HPCSA registration

THINKING **BEYOND**
