Dear CUT Students

CONTINUOUS ASSESSMENT SUBJECTS SPECIAL ASSESMENTS TO OBTAIN QUALIFICATIONS

All CUT students are hereby informed that the institutional Senate approved special assessment opportunities for students left with one continuous assessment module/subject for qualification to be awarded. **Minimum requirements for this opportunity include:**

1. Student must have registered and attempted the subject during academic year 2023.
2. Student must have participated in all academic activities (including participation/submission of all assessments).
3. Students must have obtained a minimum final result of 45% and above.
4. All WIL (work integrated learning) subjects are excluded from this dispensation.
5. Due to the practical nature of the Continuous Assessment subjects offered in Faculty of Engineering Built and Information Technology, these subjects are not eligible for this Special to Obtain provision.

Procedure for applications:

1. LS124.3 must be submitted at/to the Assessment and Graduation Unit at both Welkom and Bloemfontein campuses between **14-28 March 2024. Late applications will not be entertained.**
2. Students must attach proof of payment R220.00, applications received without proof of payment will not be accepted/entertained.
3. Applications submitted electronically must be directed to:

BLOEMFONTEIN CAMPUS

- Faculty of Engineering Built and Information Technology: Mr S Mokoena (hmokoena@cut.ac.za)
- Faculty of Management Sciences: Ms A Mangweni (nmangweni@cut.ac.za)
- Faculty of Humanities: Ms D Makauta (dmakauta@cut.ac.za)
