Dear CUT Alumnus

CUT Council took a decision in 2013 to resuscitate the relationship with the graduate community through the establishment of an Alumni Association, which incorporates the Convocation as it was dysfunctional.

In order to realise the aforementioned, the University established a Convocation Task Team as well as a Data & Engagement Task Team. These teams have been tasked with drafting a constitution of the association for Council's approval, verifying the alumni database and creating conducive environment for the elections to take place later in 2014.

The next step is to elect a new executive and have an electronic voting later in the year. We will be communicating widely in all media platforms including social media in order to inform you about the nominations processes.

We therefore request that you read the attached Alumni Association Constitution as well as the document which highlights the changes herewith.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'N Mrwetyana'.
