FOREWORD BY THE INSTITUTIONAL REGISTRAR

It is my pleasure to extend a hearty word of welcome to all CUT students to the 2023 academic year. The CUT community is here to support you every step of the way in your academic journey and career development. You are encouraged to take advantage of every opportunity to develop yourself. This includes utilising the many student resources and support services available to you. We work with your respective faculties to promote a climate that is respectful, supportive, and safe for all our students, and, most importantly to create an environment that is student centred.

It is worthy to always remember that your time is limited to the acquisition of the qualification. Therefore, use the time wisely, be steadfast, and remain focused. The pursuit of education is no one else's but your own. Nothing should stop you from achieving success. Set and maintain practical goals, and do not lose sight of the main reason why you are at this prestigious institution. Live according to the CUT values of *ubuntu, integrity, diversity, innovation and excellence,* in addition to continuing to be resolute and persistent.

It is therefore my pleasure to sincerely thank you for choosing CUT. This we cannot take for granted, because you could have decided to study at another university. I would like to assure you that you have made the right choice.

Have a wonderful, productive and memorable time at CUT. When in doubt, please ask. We are here to serve you.

Kind regards
