School-based / Work-Integrated Learning (WIL) / Practical Teaching:		
<p>School-based learning or Work-Integrated learning must be completed in secondary schools during the period of study. This is also known as practical teaching and is based during the year in which the methodologies are enrolled for.</p>		
Duration of the School-based learning:		
<ul style="list-style-type: none"> Two (2) consecutive weeks in the first semester. Four (4) consecutive weeks in the second semester. The university reserves the right to place students in schools according to the training needs. Those who are permanently employed as teachers can complete their practical teachings at the schools where they teach, however, they may be placed at another school if they are not teaching in the phase they are enrolled for or not teaching the methodology enrolled for.
