---

_Central University of Technology, Free State is in the process of recalculate some of the offered qualifications. The information in this publication is subject to change. CUT accepts no accountability for whatever error for any damage, real or in the future, sustained as a result of such change. The rules, regulations, policies and procedures, as amended from time to time and effective on the date of registration as a student at CUT, are applicable. Please note that variations may occur due to resolutions passed by Senate over the course of 2019/2020._
For diplomas, certificates, and foundation or undergraduate qualifications, students should consult the language of learning and teaching (LoLT) chart. A mark of 30% for English LoLT or 50% for Non-English LoLT is therefore considered sufficient, although any prior marks achieved in the English LoLT will also be taken into consideration.

PRE-2008 SWEDISH RATING SCALE

HOW TO CALCULATE YOUR POINTS WITH THE PRE-2000 RATING SCALE

HOW TO CALCULATE YOUR POINTS WITH THE PRE-2000 RATING SCALE

DON'T KNOW WHAT YOU WANT TO STUDY?

It is a good idea to have a few ideas and then to verify the admission requirements of the various qualifications offered at CUT. Do not forgetting the International Students Application Form outlines more information, http://www.cut.ac.za/international-students/.

INTERNATIONAL STUDENTS AND GLOBAL PARTNERSHIP

Partnerships with various universities have offered CUT many opportunities. In series of collaborative research and exchange programmes for CUT and international students. Each year, many students seek studies and accepts students from international destinations such as Belgium, Germany, France, Russia and many more - through partnership agreements with universities the world over. CUT has also established collaboration agreements with the Universities of Amsterdam and of the Wassenaar Institute in the field of research projects. This provides many opportunities - for students from different countries to study at the CUT and for the institutions to engage in teaching and, for the students to function in the heartland of South Africa, the Free State province. We continue to do with more and more sportive leading grants generating social impact on the career paths at our institutions.
