The screenshot displays the CUT website with a navigation bar at the top containing links for STUDENTS, SHORT COURSES, ALUMNI, LIBRARY, NEWS, CONTACT US, SUPPORT SERVICES, A-Z, and a search bar. The main header features the CUT logo and the tagline "thinking beyond". Below the header, there are navigation tabs for STUDY AT CUT, RESEARCH & INNOVATION, FACULTIES, and ABOUT CUT. A dropdown menu is open under "STUDY AT CUT", listing various options including PROSPECTIVE STUDENTS, INTERNATIONAL STUDENTS, POSTGRADUATE STUDENTS, COURSES OFFERED, COURSE CALCULATOR, N LEVEL QUALIFICATIONS, SELECTION TESTS, NATIONAL BENCHMARK TEST (NBT), FEES, BURSARIES AND LOANS, NSFAS, RESIDENCES, SPORTS, APPLY ONLINE (highlighted), CHECK APPLICATION STATUS, REGISTER ONLINE, and SHORT COURSES. The main content area features a large image of a building with a blue banner that reads "Application Process" and "Applications Open: 01 June 2022 | Closes: 30 September 2022". Below this, there is a section titled "2023 Applications" with text stating that applications for 2023 will open on 01 June 2022 and close on 30 September 2022, and that there will be no second-semester applications for 2022. To the right, there is a "More Information" section with links for Virtual Open Day 2020, Programmes Offered, Check Application Status, Admission Process, Admission Points (AP), and TVET(FET) Student. A yellow arrow points from the text in the blue box to the "APPLY ONLINE" link in the dropdown menu.

<p>Career Opportunities The world is increasingly becoming a global village, with Information and Communication Technologies (ICTs) playing a fundamental role in our day-to-day lives. South Africa, like other countries, realises that ICTs can indeed bring about positive change in its socio-economic development. CUT's contribution to this national agenda is realised through diploma, BTech and MTech programmes offered in the Department of IT. Through these programmes, the university contributes to the ever-increasing demand for a wide range of highly skilled information technology professionals in fields such as web applications, communication networks and software development. The department is particularly unique in the country, as it offers courses in mobile programming and games development. The department has state-of-the-art Cisco equipment through which students get hands-on experience in computer networking, which provides opportunities for various professional certification pathways.</p> <p>Our graduates will be able to take up jobs in:</p> <p>Systems analysis: System developers, application designers, business analysts, information analysts, management information analysts, system analysts.</p> <p>Computer networking: Computer network administrators and technical assistants.</p> <p>Database development and management: Business database analysts, database administrators, database managers.</p> <p>Project management: Information Systems (IS) project leaders.</p> <p>Read the IT - Communication Networking brochure (PDF) for a better understanding of the programme.</p>
