The student will then receive a Residence Application Notification which will display the student residence details.

GENERAL INFORMATION

Your status will stay on "pending" until the office start processing the applications.

First-year students:

First year students' status will change to "N" (no decision taken) until they are admitted for residence. If a first-year student is placed, the status will change to "G". <u>Students can only be placed if fully</u> <u>accepted for studies</u>. If a student stays on "N" it could indicate that the residences are fully booked.

Senior students:

All senior student status will change to "W" (waiting list) until they are accepted to stay at residence. If status stay on "W" it could indicate that the residences are fully booked. Students will then be on waiting list until somebody who got space cancelled his/her accommodation.

Cancellation:

Students who applied and got space in a CUT residence but will not be able to accept the placement should cancel their accommodation. Students who got space but do not register online in time could forfeit their space if not making arrangements with the office or residence in advance.

Email address/contact number:

Make sure your email address is always up to date as we will communicate with you via email. Also update your contact number if it changed. If you have a student number and pin you could update it on the student portal.
