CUT MEDICAL AID COVER FOR COVID-19

Please see a short explanation taken directly from the communication received from each medical scheme regarding the cover for Covid-19, we have also included links to each individual scheme's official response.

MESSAGE FROM DISCOVERY HEALTH

Discovery Health developed a WHO Global Outbreak benefit. This new benefit, which is immediately accessible to members, provides funding in full, from the scheme's risk pools, to cover the test and treatment in the case of a confirmed COVID-19 diagnosis.
