COMMUNIQUE TO STUDENTS REGARDING FINANCIAL CLEARANCE FOR UNDERGRADUATE REGISTRATION

Dear CUT Students

Kindly note that due to the absence of the list of students approved for funding, and the delayed finalization of financial appeals, a decision was taken to remove the financial block and give financial clearance to CUT Undergraduate students who are South African (SA) Citizens to proceed with the online registrations as per the dates stipulated on the registration guidelines.

For Southern African Development Community (SADC), International, and Postgraduate students, the 2023 financial registration guidelines on the minimum initial payment registration fees must be followed.

Should your 2023 funding not be approved by your sponsor, you will be liable for the debt and the university will implement the debt collection procedure to recover fees.

We welcome you and wish you success with your academic endeavors this year.

Kind Regards,
