The screenshot shows the iEnabler website interface. At the top is the Central University of Technology logo and the text "Central University of Technology, Free State". Below this is the "iEnabler" title. The main content area is divided into two panels. The left panel, titled "Prospective Students", contains the text: "If you are a prospective student, not registered at this institution, please select the following option:" followed by a link ">>NEW APPLICATIONS<<". Below this is a graduation cap icon and the text: "Apply, Register, Change personal information, get academic and other information and make payments." A yellow arrow points from the "NEW APPLICATIONS" link to the right panel. The right panel, titled "Registered Users: Login Credentials", has radio buttons for "Student", "Personnel", "Other", and "Alumni", with "Student" selected. It contains a "Student Number:" input field, a "Pin:" input field, and a note "(5 numeric digits. Do not start with a 0.)". Below the input fields are three buttons: "Forgot Pin", "Change Pin", and "Request A Pin". A second yellow arrow points from the "Forgot Pin" button to the "Forgot Student Number" link at the bottom of the panel.

Success!

Your PIN will be sent to your
e-mail address.

Retrieve e-mail with your PIN
