

## Central University of Technology

Procurement Number: EOI 02/2022

### Admission to CUT database of CIDB registered subcontractors, PSIRA Registered Security Businesses and Trade Contractors

#### Notice and Invitation to submit an Expression of Interest

Central University of Technology invites expressions of interest from interested parties to submit their particulars to a dedicated subcontractor database.

The Central University of Technology, Free State, invites expressions of interest from targeted enterprises for admission to a data base of potential subcontractors to access subcontracting opportunities on construction projects on their Bloemfontein and Welkom Campuses. Enterprises who are admitted to the database, depending upon their capabilities, capacities, and the required work, may be invited to submit quotes to perform a portion of a main contractor's contract. Enterprises which are awarded subcontracts and who satisfy additional criteria, may be provided with enterprise development support in accordance with the requirements of the *CIDB Standard for Indirect Targeting for Enterprise Development*.

Enterprises targeted for development include 50% black owned or 30% black woman owned, CIDB registered contractors having a CIDB contractor grading designation less than Grade 6 and who operate from premises within the Free State Province and can demonstrate compliance with these criteria.

The closing time for receipt of submissions is 31 December 2022. Submissions received prior to this date will be admitted to the database as and when they are received and after they have been processed. **The database will become operational and applied in procurement processes from 15 September 2022.**

An application for admission to the data base may be made by fully completing the application form <https://forms.office.com/r/3ATuJRjQCh> from **Monday 29 August 2022.**

Queries relating to the issuing of these documents may be addressed to [cutdatabase@sabeexdms.com](mailto:cutdatabase@sabeexdms.com).

The use and operation of the CUT subcontractor database is explained on the front page of the online application form. **Submission of information to the CUT subcontractor database does not guarantee that the applicant will be invited to submit quotations or to receive any work opportunities.**
